We need your help.

The Children’s Dyslexia Center of Central New York is celebrating its nineteenth year providing an afterschool program for children who have reading and writing difficulties due to dyslexia.

Our program helps children by using the Orton-Gillingham method to teach the skills necessary to overcome these difficulties. Your help is needed and appreciated!

How can you help?

Join us on Saturday October 7, 2023.

The Walk begins following registration at 10:00 AM at the Dyslexia Center on the Eastern Star Home Campus in Oriskany, NY. Brochures available at the Center, via email at centralny@cdcinc.org, by contacting Craig Cobb at cobb3@verizon.net, by phone at 315-446-0625 or checking our website: <https://www.cnyclc.org>.

Place an advertisement in our Walk program booklet. What a great way to show your support to a great program! If you wish to participate as a sponsor, we will need your response no later than Friday, September 29, 2023.
